THE REGISTRATION FORM can be filled out at the following the link:

[Alliance Auditions Registration Form](#)

•YOU WILL RECEIVE NOTICE OF YOUR AUDITION TIMESLOT VIA EMAIL. We will schedule the appointments within quarter-hour blocks. No audition appointments will be made by telephone.

•Auditions are by appointment only. Representatives from all theater companies will be in attendance, and you will be auditioning for all at the same time. Each company will schedule its own callbacks for specific shows. If you are not familiar with these theaters/companies, please check their websites or look at the listings in the newspaper or other media to get an idea of their repertory.

Audition requirements:

- Actors must be 18 years of age or older.
- Actors will have **TWO MINUTES TOTAL** to perform, strictly enforced. You may use your time however you like. Common choices are to do two very short contrasting selections, or one longer piece of contrasting nature (serious/comic or classic/contemporary, for example). You may also choose to sing in addition to your monologue(s) as long as you do not exceed the two minute time frame.
- Please be prepared to bring **35-40** copies of your headshot with your resume trimmed to size and glued or stapled to the back (i.e., both items facing outward; do not put them in folders or plastic sleeves, do not include reviews or video/audio tapes). The number of headshots may change, due to the amount of Theatre companies participating. You will be notified how many copies to bring when you receive your scheduled appointment time. Make certain that your contact phone number (home or mobile or service, but **not** your agent's) is on your resume and is correct.

Audition procedure:

On the day of your audition, bring your headshots/resumes with you. Upon arriving at Stages, check in with the audition coordinator at least fifteen minutes before your appointment.

At the time of your audition, state your name and your monologue selection(s) (play and character only). Do not give background or "set the scene." There are chairs in the audition space that you may use but it is recommended that you do not bring additional props. Your audition will be timed and you will be stopped at the end of two minutes.

Please be early for your audition. If you miss your appointment, you will not be worked in. We will make every effort to stay on schedule.

If you cannot make your appointment, please call 713-527-0220 x317 to cancel 24 hours before your scheduled audition time or you will be considered a "no show".

Thank you for your interest!
