**Synopsis:** Main Street Theater’s Autumn Follies Gala will return on Friday October 5, 2007! Join Main Street for a celebrity-studded, one-night-only benefit performance of the specially-created musical theater piece *The Best Little Icehouse in Texas*, which will showcase the talents of the MST Company with cameo appearances by local celebrities including Apollo 13 Flight Director **Gene Kranz**, attorney **Sylvia Matthews**, Harris County Commissioner **Sylvia Garcia**, PBS’s **Ernie Manouse** and **Doug Mueller**, Fox 26 Morning News Team’s **Lanny Griffith** and Health & Fitness Sports Magazine’s **Lisa Malosky**. Broadway Star **Carlin Glynn** and Astros’ **Larry Dierker** have both agreed to be in the Gala, schedule permitting.

The Follies will highlight an evening which will feature an auction, heavy hors d'oeuvres reception, the one-hour performance followed by a champagne dessert. The event will be staged at MST’s facility at Chelsea Market and will benefit the theater’s youth and outreach programs. The live auction will feature the blue satin gown worn by Carlin Glynn as “Miss Mona” in the original Broadway and London productions of *The Best Little Whorehouse in Texas*. One of costume designer Ann Roth’s favorites, this gown was featured on the original album cover.
