IMPORTANT INFORMATION

Please read these policies and share the information with your son/daughter and any adults involved in your student's care. By signing the release forms, you agree that you have read and will follow our policies.

Release forms and immunization records should be turned in on the first day of class (not before). Release forms will be available May 1 at www.mainstreettheater.com/kos. Extra copies will be available on the first day of class. If the person dropping your student off on the first day is a caregiver, grandparent, or non-guardian relative, please provide him/her with the **COMPLETED, SIGNED FORMS IN ADVANCE**.

For obvious security reasons, we are very strict about checking IDs during pick-up. Please have your ID ready. Instructors are required to identify drivers based on the approved list provided by the student's parent/guardian on the release forms. If the person picking up your student is not on the list or cannot show ID, a parent/guardian must be contacted for approval, **even if the student identifies this person as a parent, relative or friend**. Changes must be made in writing.

As on a sports team, all students are important to their performing arts team's practices and final product. **Students should attend every day.** If you must be absent, arrive late, or leave early, advance notice by email is required. We do our best to accommodate conflicts (please communicate with us); however, absences may affect your student's participation in the final performance.

THINGS TO KNOW FOR THE FIRST DAY

What are the procedures for drop-off and pick-up?

- For the first day of camp, please park and come inside to check in. You should turn in your signed release forms at this time. After the first day, we do not require students to be signed in.
- During pick-up, all teachers will have lists of students and authorized drivers. **Please be patient with us as we take the time to send our students home safely.**
- Have your ID ready. During pick-up, instructors are required to identify drivers based on an approved list provided by the student's parent/guardian. If the person picking up your student is not on the list, a parent/guardian must be telephoned to approve the person, **even if the student identifies this person as a parent, relative or friend**. High school students can be authorized to sign themselves out, but their names must be included on the release form. Any changes to the list must be made in writing.
- Do not pick up a student without checking in with the teacher.
- **PICKING UP LATE:** Parents arriving for pick-up after 7:15 p.m. will be charged a late fee of \$10 for every 15 minutes, rounding up.

- **PICKING UP EARLY:** If you need to pick up your student before the end of class, advance notice by email is required. Please park and come inside.
- **DROPPING OFF EARLY:** Please do not drop off your student before 3:45, as we cannot ensure proper supervision.
- Parking in the Rice Village area can be extremely difficult. Please allow enough time to park and walk to the theater, and heed all parking signs.

EXPECTATIONS FOR KIDS ON STAGE PARTICIPANTS

Kids On Stage Summer Camp is a performing arts playground. Our emphasis is on creativity and collaboration. With their own imaginations as the spark, students collaborate to create an original play and a dance piece. Students take charge of all aspects of performance—from characters, dialogue and story to sets and costumes. Our teachers—arts and education professionals—provide the guidance and know-how to support students in bringing all they dream up to the stage. This unique format of student/artist driven performance has proved very popular with kids and parents alike. Of course with this freedom comes responsibility: Each student needs to come with a positive attitude and a generous spirit.

It is challenging to work on a piece as a group where students are play- and dance-creators as well as actors. As a co-creator, each student commits to respecting and listening to other people's ideas, focusing on the task at hand and abiding by the class rules as set forth by the instructor. Students should attend every day, contribute to the class and give 100% of their energy. This includes keeping focus on the play/dance and respecting your director and teammates. These commitments make up the Kids On Stage Pledge students take on the first day.

Every student will be challenged, and every student will be featured in the final performance, which represents only a fraction of the fun and learning that happen at camp. Both dance and drama are team activities, and we intend to help the participants produce a first-rate show on the last day. Working in the theater requires a lot of teamwork and a lot of patience. Positive attitudes keep things fun for everyone and produce the best final shows. Take risks, be bold, be silly, be dramatic, and HAVE FUN!

We ask that parents support and guide their students in keeping the Kids On Stage pledge they will take in class, in following the KOS policies, and in making sure students are present each day. We hope parents will actively support students in valuing their own ideas and resources in creating their final pieces, and foster collaboration rather than competition among team members. If a conflict arises with another camper, a student should not hesitate to tell her/his teacher or TA. If the conflict is with a teacher/TA, please contact the KOS office. We are happy to address your concerns, and most conflicts can be worked out with communication.

In addition to the policies, each teacher introduces the class to his/her own classroom rules. A system of warnings and quiet times will be used with minor discipline problems. Further action will be determined in consultation with the Director. Main Street Theater enforces a zero-tolerance policy for some behavior and items. *Weapons, controlled substances, substances illegal for minors, theft, and behavior interpreted by the KOS director as violent, disruptive, destructive, harassing or aggressive will not be tolerated and are grounds for removal from the program.*

EMERGENCIES AND MEDICAL NEEDS

How do I contact my student or his/her teacher?

Each teacher will provide classes with a first-day letter that includes contact information that can be used outside of class hours. During business hours, please call the KOS administrative line at 713-524-9196 x 104 to relay a message to your student's teacher. Administrative support may not be available outside business hours. Remember that all notifications of absences and changes of carpool must be given in writing by a parent or guardian.

My student doesn't feel well. Should s/he go to theater class?

Though we encourage good attendance, please keep your student home for the health of the class (and notify the teacher or KOS Director) when any of the following symptoms are observed: sore throat; eye infection; ear ache; vomiting, diarrhea, or fever within last 24 hours; persistent cough and/or runny nose; or head lice.

What if my student needs to take medication during class?

Main Street Theater cannot dispense, monitor or maintain medication. It is the responsibility of the parent or legal guardian to inform the KOS staff of any illness, injury, chronic condition, disability, allergy or special needs affecting a student's participation in the program. **Please disclose any allergies or medical or behavioral issues in the designated space in the release packet.** This information will be kept confidential except in the case of a medical emergency.

My student has a food allergy. What steps should I take to alert the staff?

Please communicate with us verbally about the allergy, and provide us with a **written** allergy action plan that details allergens, symptoms of a reaction, and steps to be taken in case of emergency. Provide the site director with the necessary medications (such as Benadryl tabs, an Epi-Pen or Emergency Response Kit). Main Street Theater cannot dispense, monitor, or maintain medication for any student EXCEPT in the event of an allergic reaction for which we have received an Allergy Action Plan and the necessary medication. In the liability release, you have specifically released us from liability resulting from actions taken in the case of a medical emergency.

WHAT STUDENTS SHOULD WEAR AND BRING

What should students wear?

We welcome individuality and know that summer is a relaxed time; however, clothes should not prevent students from participating by being uncomfortable, too short, too revealing or too tight. Clothes that would be ruined by being on the floor or doing messy production work should be avoided. Biking shorts or leggings must be worn under skirts. "Boy short" undies under skirts are not appropriate. Students should wear closed-toe, flat shoes that stay on their feet. No flip-flops, crocs, heels or clogs. If we feel that a student's clothing is inappropriate, parents will be asked to bring a change of clothes from home.

Does my student need to bring food or water?

- Students do not need to bring food, but should eat healthily outside of class, as class demands a lot of energy.
- While water from fountains and coolers is available, it is helpful for students to bring bottled water.
- **Please alert us to any dietary restrictions or food allergies.**
- Please, no gum.

What should students bring from home, and what should they leave behind?

Students issued a script should bring it every day, along with a pencil to take notes. Participants are often asked to bring clothing or props from home for the production. Any items brought for use in the production should be labeled with the student's name. We take good care of these items, but please do not send ANYTHING that is irreplaceable (for sentimental reasons or any other reasons!). Please make sure your student removes all of his/her belongings from the theater and classrooms following the showcase performance.

We discourage participants from bringing personal items like video games, jewelry, or CD/mp3 players. Main Street Theater is not responsible for lost or stolen items. The use of cell phones is allowed *only* in case of an emergency. All cell phones should be turned off and put away before the beginning of class. If texting during class becomes an issue, teachers may collect phones daily at the beginning of class and return them at the end. This also goes for all other electronic devices. As in going to a play, all of these beeping, blinking things must disappear or they will be taken up! Please, no gum.
