

Kids On Stage Pledge for Students and Parents

I, _____(YOUR NAME HERE), pledge the following:

+ **I will be a team player:** My role is important to the play and it is important to me. Just as I want my ideas heard and worked with by my teammates, I will listen to them and support their ideas.

+ **I will be both focused and energetic:** It may seem like focus and energy are opposites, but sports teams (for example) use focused energy all the time. **I can be focused without being low-energy, and I can be energetic without bouncing off the walls!**

+ **Please, No Pickles:** Please know that tardiness, absences, and not learning lines leave the class in a PICKLE. We work as a team (an ensemble) and if one of our team members is missing or behind on lines, our progress is challenged! **I will be on time and prepared for *all* rehearsals except those for which I have listed conflicts above; and, if I miss class due to an emergency, I will notify the director or KOS Director as soon as possible.**

Signature of Student: _____

I, the parent of the student named above, promise to assist my son/daughter in keeping his/her pledge.

Signature of Parent: _____
