

ADDITIONAL INFORMATION FOR TEACHERS

Performance Location: 4617 Montrose Boulevard, Suite 100, Houston, Texas 77006

MST is located just north of the Museum of Fine Arts in the Museum District. Main Street Theater has two locations – make sure your bus driver takes you to the one on MONTROSE.

PLEASE MAKE SURE THAT YOU SHARE ALL NECESSARY INFORMATION WITH ALL YOUR PARENTS/CHAPERONES/TEACHERS.

By signing the Booking Agreement the school is agreeing to all of the information on this addendum.

WHEN YOU ARRIVE

Have your buses pull up in front of the theater. Do not unload. A YT representative will come out to let you and your drivers know what to do. Then have one representative from the school come into the theater to check in. Even if you have paid your balance in full you need to check in. Seating is on a first come, first serve basis. This is based on the school that checks in first **not** that arrives first. In order to be first to be seated the whole group must have arrived. Seating does not begin until the whole group has arrived.

If a school is running late we will try to hold the performance for 5 minutes. After the show begins it is up to the discretion of the house manager to seat your school. Schools that arrive more than twenty minutes into the show will be asked to re-schedule. Payment will not be refunded for schools that arrive late and cannot see the show.

CHECK-IN

Full or partial payment is required three weeks before the performance. If a balance is due it must be paid at the time of check-in before the performance. **THERE ARE NO PRICE ADJUSTMENTS AT THE DOOR.** Please read your agreement carefully. Each school has up until one week before the performance to decrease your ticket reservation. If your school qualifies for a refund it will be mailed after the performance has been attended. Unfortunately, due to abuse of this policy we cannot issue a refund or decrease your reservation for students who are absent on the day of the show. This policy is standard for all schools please do not arrive at the door and ask for an exception.

Payments can be made by check (payable to Main Street Theater), credit card (American Express, Visa, MasterCard) or cash (exact change please). Purchase orders are not accepted.

Each school will receive a receipt for the performance payment with their final confirmation.

ENTERING THE THEATER

A YT representative will guide your students from the bus to the courtyard to line up. All schools will line up in the courtyard before the performance unless it is raining. If it is cool weather please remind your students to bring proper outer wear. We will lead your school into the theater in a single file line. Seating begins no earlier than 20 minutes before show time. The restrooms are located in the lobby and are available before and after the performance. Please have students use the restroom **BEFORE** the performance starts or **AFTER** it ends and not during the show. **Performances must start on time. If your school arrives late you will be asked to wait until after the show to use the restroom. For that reason, please plan on arriving early and not right at show time.**

If the previous performance started a little late or is running long it might necessitate seating a little later than expected. Please be patient. All schools will get in to the theater. Please remember that run times are approximate. Our shows are live and we cannot guarantee that the length will be same from one day to the next.

The theater is set up on 3/4s of the stage in four sections. It is a very intimate space and all seats are good. Our larger schools will not all fit into one section. Please be advised that we cannot leave any seats empty and might have to split up a school or class into another section. Each section is in close proximity to the others and teachers need to be understanding of this situation.

The YT removes some of the permanent seating depending upon the production. Please be advised that some of the seating will be carpeted platforms or the floor.

SCHOOL BUSES

After the students have exited the school bus our constable will direct all school buses to the back of the parking lot. Shortly before the performance ends, the constable will direct buses to line up one after the other in the parking space behind KMK Interiors. Schools will load students up from the parking lot with our assistance. Once the bus is loaded, exit the parking lot from the third exit in front of KMK Interiors onto Chelsea 1 street. Students will be dismissed in a timely fashion. This makes for quick and efficient loading and un-loading. Sometimes the school decides to send their group to the restroom after the performance. If that happens, and you are the first bus in the line, your bus will need to circle back around to allow the other school buses to load and leave the theater. A YT representative will instruct you if that is necessary.

If a school arrives earlier than 40 minutes before show time the buses will be escorted to the back of the parking lot to wait. Once the staff are ready for your group we will escort you through the parking lot to the theater. Please be aware that there is no place to wait at the theater before 40 minutes before show time. Buses cannot sit in front of the theater as it blocks the entrance to the center.

CARPOOLS OR SCHOOL VANS

Caravans of cars and school buses should enter the parking lot from the Montrose entrance and park in the back. Have your students unload and proceed to the entrance of the theater. Students will be directed to line up outside along with the other schools. Upon leaving the theater, caravans should exit out the back exit of the parking lot on to Chelsea Street. DO NOT use the Montrose exit as it gets congested with all the school buses and blocks the flow of traffic.

DURING THE PERFORMANCE

We do not allow chewing gum, food or drinks inside the theater. Please have your student's dispose of these items before entering the theater. Students may leave their lunches on the school bus or in the theater lobby. Please utilize the restrooms before or after the performance and have everyone remain seated for the duration of the show. The aisles are used for entrances and exits and by law may not be blocked by people standing to watch the show.

MST wants each and every patron to enjoy the show. Please remind your students of proper theater etiquette during a performance. If we notice inappropriate behavior such as throwing food or other items onto the stage we will stop the performance and ask the whole school to leave without a refund. This is very dangerous and we take it very seriously.

As a courtesy to the actors and the other patrons, please remind all of the adults attending with your school that we do not allow children under the age of 3 into the theater. This includes sleeping babies.

Photography and videotaping are not allowed during the performance due to our contractual obligations. Schools will have an opportunity to take a group picture of the cast after the show is over. Unfortunately, we cannot allow students onto the stage for photos.

LEAVING THE THEATER

After the performance and question and answer time is over, a YT representative will dismiss each school. Please have your students remain seated until that time. We do not like to mix schools so please be patient as we guide each school out individually. If you would like your school to use the restroom before getting onto your bus please tell the representative and she will let you know what to do.
